SKYVISION EXCLUSIVE!

NEW!

We're excited to announce this new option in digital Ku-band programming! The DSR-410 receiver combines value and programming choices—as part of a dedicated Ku system or as an add-on to your current big dish system.

The DSR-410 is the ultimate in entertainment, bringing more programming choices in superior digital quality. You won't find a better priced digital upgrade, whether you choose a dedicated system or the receiver only! And you'll only find it at Skyvision. Previously owned, quality tested.

- Create a favorite channels list
- Easily find programs with on-screen display
- Set password protected parental control
- Program timers to record your favorites
- Dolby® AC-3® works with your home system
